About our company;

Our company has been working in textile field since 1985.

We have produce work clothes and equipments for military services and civilians and we sell it to foreign companies that have prestige in abroad. We have three hundrend(300) machinery park and 5000 m2 in door area and it increases day by day.

Our company got famous with high-quality exportation and we participated in manyfairs.

Also we build seller networks thanks to our exports to famous brands in Turkey/Corum industrial area.Were no vate our manufacturing technology in every three (3) years and we prefer raw materials that have high-level international certificate.

All productions are checked before arrive customer.

Along with textile,

also balistic platesare become ready to sell with all quality certificates. Also our company produce uniformal and tactical clothes.

We would like to see you among us.

Your sincerely...

A.Abbas BOYNUEGRİ
